

## **PHILADELPHIA ARTS IN EDUCATION PARTNERSHIP PARTNER ENROLLMENT FORM**

Thank you for your interest in becoming a Participating Partner organization with the Philadelphia Arts in Education Partnership (PAEP). To apply for partnership status:

- Complete the enclosed enrollment form
- Supply examples of curriculum and assessment tools currently used
- Provide two letters of recommendation from recipients of your arts in education programming

Your application will be reviewed by PAEP Advisory Council members.

### **Mission**

The mission of the Philadelphia Arts in Education Partnership (PAEP) is to promote learning in and through the arts for students in K-12 schools and community sites throughout southeastern Pennsylvania. PAEP encourages excellence in arts education practice and is grounded in the belief that the arts are integral to the comprehensive education of all learners.

### **Purpose and Goals**

Through a range of programs and services, PAEP achieves its primary goals of: promoting best practices in the design and implementation of arts education programming; providing access to resources and networks in support of arts education programming; and, encouraging and supporting an appreciation of learning in and through the arts. PAEP accomplishes this work and achieves effective outcomes in the following areas of impact: Professional Development, Arts Residencies, Research, Model Development and Evaluation, Information and Resources Clearinghouse, Young Artist Development, Publications, and Special Programs – Out of School Time.

Participating Partner status will enable your organization to take advantage of PAEP's many programs. PAEP frequently collaborates with Participating Partners through a variety of partnership grant opportunities as well as in the design and delivery of professional development workshops and conferences. Visual arts and performing arts institutions can apply to be included in PAEP's *Explore the Arts* program, which encourages teachers in the five-county area to attend visual arts and performing arts venues by providing Act 48 credit. Additionally, from time to time, on a case by case basis, PAEP works with participating organizations to offer Act 48 credit hours for teachers attending participating partner's professional development programs.
